

NEW
PIASA CHAUTAUQUA
CHAUTAUQUA, ILLINOIS

89th ANNUAL PROGRAM
1974

1885 TO 1974

New Piasa Chautauqua — this year observing its eighty-ninth continuous season — started as a Methodist Camp Meeting Grounds in the summer of 1885.

A printed circular issued under the date of July 13, 1885, announced the first Camp Meeting of the Piasa Bluffs Assembly to be held starting August 25, 1885, and continuing for one week.

The circular declared: "The object of the Chautauqua Assembly is to maintain a summer resort for literary, scientific and religious instruction."

That object has become the revered heritage of Chautauqua, each Season maintaining the standards adopted in that first year. This bulletin presents the 1974 twelve-week program which will start Saturday, June 8 and close Monday (Labor Day), September 2, 1974.

PRESIDENT'S COMMENTS

As we begin the 1974 Season at Chautauqua I can't help but think back over the past fall and winter and recall the problems we faced. I believe that some good long term solutions have been reached which are going to add much to Chautauqua in the future. We are currently working on some items and as always other problems remain. I appreciate all the dedicated effort put forth by all Board Members and also other individuals and Organizations who contribute so much.

This booklet reveals a very fine program with something of interest to every family member. We urge you to participate fully and enjoy all our activities.

This year we are going to try and set up a major Recycling program and I hope we will have the 100% cooperation of every household.

Since we are an Assembly dedicated to Christian Worship lets prove this by our attendance at Sunday School, Church and Chapel Services. I hope every family will pledge financial support to these services.

Happy 1974.

Sincerely,

Lynn Schlansker
President

By-Laws

ARTICLE II OBJECT AND PURPOSES

Section 1. Object. The object for which the association was formed as stated in its certificate of incorporation is:

“To conduct a Chautauqua Assembly for religious, educational and scientific purposes and operate in connection therewith a summer resort.”

Section 2. Policies. In fulfillment of this purpose, the association has since its organization found it feasible and possible to operate successfully without profit to its shareholders, to maintain well attended religious services and classes, to provide a place, facilities, and supervision for wholesome recreation and restful living during the summer season, and does hereby declare and determine that a continuation of such policies is for the best interest of the association, is essential to the accomplishment of its objects and will most effectively contribute to the physical, moral and spiritual welfare of its shareholders, cottage members, their families and guests, accordingly;

Section 3. Non-Commercial. It is declared that it shall be the policy of the association to prevent Chautauqua from becoming a commercial or secular enterprise during the period of its commitments to its cottage members, expiring November 30, 1985.

Section 4. Not for profit. The association shall continue to be operated and conducted without profit to its shareholders, and the net income, if any, shall not be accumulated for, or be paid to, or inure to the benefit of, its shareholders.

Section 5. Religion. The association shall continue to provide leadership and facilities for religious education and worship services, Christian but non-sectarian in character, as the underlying motif of the organization, and shall permit no sectarian or anti-Christian services or activities.

Section 6. Recreation and Retreat. The association shall, in connection with its religious program, provide facilities and leadership for children, and shall operate and conduct Chautauqua as a peaceful, wholesome, pleasant and safe place for rest and retreat from the pressures of modern living.

Section 7. Revocation or Amendment. This article shall be the central guide and control of the officers, directors and shareholders in all their actions and decisions, and shall not be revoked or amended except by a vote of not less than three-fourths of the entire board of directors and three-fourth of the shares of stock of the association, and then only after at least thirty-days notice by United States Mail, postage prepaid, to all officers, directors and shareholders, setting forth specifically and in detail the proposed resolution for revocation or amendment to be submitted for consideration.

Rules and Regulations Governing Chautauqua

Rules and Regulations governing daily living at Chautauqua are conceived in the interest of promoting public safety and making a pleasant and enjoyable stay for everyone possible. b—The speed limit of all motor vehicles on the Chautauqua grounds is 15 miles per hour. All "Stop" signs must be obeyed.

c—No one may operate a motor vehicle on the Chautauqua grounds who does not possess a Driver's License of the state in which he resides and who is not adequately covered by liability insurance. All motor vehicles are required to have a state license.

If you expect guests, notify the gatekeeper in advance and make arrangements for their admission. Failure to make advance arrangements can cause embarrassment as the gatekeeper is not authorized to admit strangers to the grounds simply because they announce they have come to visit a Chautauqua resident.

3. BUILDING: No building or additions shall be erected, nor repair work started except with consent of the Board of Directors, under a permit signed by the Secretary. No building or additions shall be done from June 15th to September 10th.

Yellow Balloon

The Yellow Balloon will be directed by Rose Tomlinson. This Craft Center is a function of the L.C.I.A. Watch the Bulletin Board for announcement of activities.

The Town Hall is the center of activity for card parties, dinners and special events. In addition to regularly scheduled activities, the Town Hall is also available at a nominal fee for private Chautauquan use. The chairman of the Town Hall committee should be contacted for information.

News Papers

The newspapers will be available this year and will be distributed by Mark Young.

Weekly Newsletters

The Weekly Newsletter will be available again this year through the efforts of the L.C.I.A. and Mrs. F. Gould.

Education and Entertainment Program

PLAY SCHOOL

The Chautauqua Play School is in session from 10:00 A.M. until Noon Monday through Friday. Children from three to twelve years of age are invited. The Play School will be under the direction of Laura Middleton with the assistance of Claire Tomlinson. The Play School and its various activities are under the direction of the L.C.I.A.

MOVIES

Dr. Robert Allen has been busy this past winter selecting and obtaining movies for the 1974 season. We have obtained new (used) 35mm. projectors which were tried and found very good, especially the sound. We are using a 16mm projector for the first time this year because 35mm movies are becoming more difficult to obtain. Please read the program booklet for the schedule. Movies are rated this year - G or PG.

Recreational Program

SWIMMING

Swimming is a long established sport at Chautauqua. Our pool meets all safety and health standards of the State of Illinois. The pool is open every day from 1 to 5 P.M. and from 6:30 to 8 P.M. on Sunday and Tuesday. It may be opened on other evenings if the temperature and weather warrant such opening.

The pool will be open each evening that the temperature is 90 degrees at 6 p.m. The bell will be rung at 6 p.m. on these evenings.

Tom Chevalley is the pool manager; Bettsey Schaeffer, Walter Timmermeier and Katie Beckwith are the lifeguards.

Joe Meisel will present a Red Cross water safety program if enough applicants sign up. He will also conduct a course designed to teach children 3 to 6 years of age to swim if there is enough demand for such a program. Both programs will be offered in morning sessions, and applications must be received by July 1st.

GOLF

Through the courtesy of the Westlake Country Club of Jerseyville, we are permitted use of their golf course every day except Sundays and holidays.

BOATING

A boat harbor with excellent docking facilities is located next to Flint Park. Docking space is available for visitors who come to Chautauqua by boat.

Any one interested in obtaining a dock in the harbor please contact a member of the harbor committee.

YOUTH & ATHLETICS

Our resident minister, as in past years, will conduct our athletic program. We feel this religious-athletic combination is desirable in that athletics, aside from the enjoyment of competition and wholesome exercise, will serve as an avenue, in addition to Church and Sunday School, for the children to acquire the religious values and attitudes.

We will this year employ an assistant to the resident minister (Jeff Schlueter) so the athletic program will be broadened to serve more Chautauquans. He will supervise and maintain the recreational areas and will be responsible for the care and distribution of our athletic equipment. The active participation of the adults will be encouraged by recognizing their suggestions and interests.

We hope to have a well-disciplined and varied program that the youth will attend voluntarily on its own merits.

The bulletin board, announcements at the movies and printed fliers distributed to the cottages will provide specific information for the different planned activities.

These activities will include the following:

Croquet court	Badminton	Soccer-Volley Ball	Rogue court
Basketball	Table Tennis	All-purpose court	Tennis
Spontaneous activities — Hikes, Weiner Roasts, Watermelon Parties, Dance (record)			
Music Sessions, Treasure Hunts, etc.,

Special Notes and Comments

1. Chautauqua is what we each help to make it -- both in and out of the regular season. Let us all observe it's regulations, let us all partake of and support it's activities, and if we have special talents let us make them available to Chautauqua for it's benefits.
2. Please read again the rules section of the Program Book. Pages 4--6.
3. As Christians let us lead a Christian Life; As Americans proud of our heritage to have a Chautauqua let us display the American flag.
4. Please check you name, address, etc. If there are any omissions or corrections let the program committee know so they can be changed next year.
5. For the benefit of new owners -- The bell at the administration building normally is sounded ½ hour before all events, and again at event time. The siren is blown at noon, 5:00 P.M. and in case of emergency. Religious and card party announcements, and movie reviews can be found on the bulletin boards in the vicinity of the Administration Building.
6. Some special safety and courtesy regulations for your consideration: (a) Digging -- There are underground telephone cables, gas, water, and sewer lines at Chautauqua. Please find the location of these before doing any digging. In the case of gas lines, these are made of plastic pipe and could easily be broken. There is a warning tape just below the ground at the gas line locations. **IF YOU SHOULD DIG UP THIS WARNING TAPE DO NOT DIG ANY DEEPER!**
 - (b) Bluff Climbing -- The Spring area is an enticing but dangerous place for the children. **PLEASE RESTRAIN ANY CHILDREN FROM CLIMBING THE BLUFFS IN THIS AREA.** It is very dangerous, but could also deface the beautiful improvements that have been made there.
 - (c) Restraining Children -- While Chautauqua is a place where children have freedom of the grounds, parents should restrain them from play activities during religious services, and also from annoying activities at the movies.
 - (d) Dances -- This year we are inviting all Chautauquans from 9 to 90 to attend all dances until the first intermission, at which time children under 13 years of age are requested to leave. This does not apply to the dance on Childrens Day. Everyone on the dance floor is expected to observe the posted regulations, and to conform to the following clothes requirements: Male -- closed shirt collar (with or without tie) or turtle-neck shirt, trousers, and shirt tail to be worn under the trousers. Female -- dresses of acceptable length (no jeans, shorts, or slacks) Everyone shall wear shoes.
